

Computing

Semester 1, 2024 – February intake

Unit code	Unit title	Prerequisites
TNE10005	Network Administration	
COS10009	Introduction to Programming	
ICT10022	ICT Enquiry Project	
COS20007	Object-Oriented Programming	
COS20015	Fundamentals of Data Management	
COS20019	Cloud Computing Architecture	
ICT20025	ICT Design Project	
COS30043	Interface Design and Development	
ICT30017	ICT Project A	
ICT30018	ICT Project B	
TNE10006	Networks and Switching	
TNE20002	Network Routing Principles	
TNE30012	Secure Remote Access Networks	
TNE30018	Enterprise Network Server Administration	

Semester 2, 2024 – September intake

Unit code	Unit title	Prerequisites
COS10005	Web Development	
COS10009	Introduction to Programming	
COS10025	Technology in an Indigenous Context Project	
COS20007	Object-Oriented Programming	
COS30020	Advanced Web Development	
COS30045	Data Visualisation	
ICT30016	ICT Innovation Project	
ICT30017	ICT Project A	
COS30017	Software Development for Mobile Devices	
ICT30018	ICT Project B	
TNE10006	Networks and Switching
