## Postgraduate Study Options

Postgraduate studies can enhance knowledge of and training in a particular field of study which has the added benefit of helping to enhance career and employment prospects. Below are some postgraduate programs offered through Swinburne University that may be of interest to Commerce students.

### Business Administration

- Graduate Certificate of Business Administration (BMBA480)
- Graduate Diploma of Business Administration (BMBA580)
- Master of Business Administration (BMBA680)

Career Opportunities: Prepares students to manage enterprises in a complex, global and competitive environment. The focus is on building capability in management leadership, entrepreneurship, finance and strategic thinking, building a life-long learning capacity, ethical practices and social responsibility.

### Professional Accounting

- Graduate Certificate of Professional Accounting (CMPA440)
- Graduate Diploma of Professional Accounting (CMPA540)
- Master of Professional Accounting (CMPA640)

Career Opportunities: This suite of accounting programs provides an avenue for graduates to achieve professional recognition and help fill the shortage of professionally recognised accountants. As many graduates may already be established in a business career, the key vocational outcomes will arise from better current job performance together with new opportunities opening in the accounting and finance areas.

### International Business

- Graduate Certificate of Commerce (International Business) (CMIB440)
- Graduate Diploma of Commerce (International Business) (CMIB540)
- Master of Commerce (International Business) (CMIB640)

Career Opportunities: International Business develops the technical, practical, analytical and creative skills to support a successful career in international business. At the completion of any of the courses above, graduates can expect to have developed a strategic approach and further honed analytical skills to affect change in an international business environment and to be equipped to make a suitable contribution to the theory of international business or application in an international business environment.

### Business Management

- Graduate Certificate of Business Management (L5801)
- Graduate Diploma of Business Management (L6801)
- Master of Business Management (L7801)

Career Opportunities: This program addresses the needs of graduates from a range of disciplines who are seeking to increase their professional value through acquiring both an understanding of global, national and local pressures on business and a capability to respond professionally and effectively to those pressures. It provides students with concepts, frameworks, analytical, problem solving and research skills to enable them to operate confidently and effectively in a global environment characterised by constant change and requiring flexible and innovative responses at a professional level.

### Executive Administration

- Graduate Certificate of Business Management (Executive Administration) (L5801EA)

Career Opportunities: Most graduates will already be established in business careers, so through successful completion of their Graduate Certificate, can expect better current job performance, promotion and new opportunities in a broader business and international business environment.

### Business Excellence

- Graduate Certificate of Business Management (Business Excellence) (L5801BE)

Career Opportunities: Most graduates will already be established in business careers, so through successful completion of the Graduate Certificate they can expect to improve current job performance, promotion, and new opportunities in a broader business and international business environment. The program prepares students to move into quality management roles and to take responsibility for the implementation of business excellence frameworks and

models, and the development, implementation and maintenance of a quality management and quality assurance system for an organisation.

### **Human Resource Management**

- **Graduate Certificate of Commerce (Human Resource Management) (BHR440)**
- **Graduate Diploma of Commerce (Human Resource Management) (CMHR540)**
- **Master of Commerce (Human Resource Management) (CMHR640)**
- **Master of Commerce (Human Resource Management) (Honours) (CMHR640H)**

Career Opportunities: This suite of courses provides an avenue for graduates to gain theoretical and practical skills in human resource management and business practices. As many course participants may already be established in a business career, the key vocational outcomes will arise from better job performance and new opportunities opening up for graduates. Each of the programs provides the skills needed for effective human resource management from the ground up whereby the Graduate certificate can be viewed as the first step in the ongoing process of postgraduate management education.

### **Marketing**

- **Graduate Certificate of Commerce (Marketing) (CMMK440)**
- **Graduate Diploma of Commerce (Marketing) (CMMK540)**
- **Master of Commerce (Marketing) (CMMK640)**
- **Master of Commerce (Integrated Marketing) (CMMK640I)**

Career Opportunities: This course provides an avenue for graduates to gain theoretical and practical knowledge of marketing that can be applied in business. As many participants may already be established in a business career, the key vocational outcomes will arise from better current job performance together with new opportunities in the marketing area.
