COPYRIGHT ASSIGNMENT

- If selected, you may be involved in producing work for clients who will expect to own the copyright.
- You agree to assign to the University all future copyright in your work upon creation. The University may then assign the copyright to the client. This will not affect your assessment and you will be able to include the work in your personal portfolio. However, you will not be able to independently sell, license or otherwise authorise others to use such work.
- You are also required to keep confidential the information belonging to a client.
- Please seek independent legal advice if you are unclear as to how this may affect you.
