

7th German Design StudyTour

January 5th - 30th. 2010

Industrial Design
Product Design Engineering
Interior Design

Visit Germany, 'land of ideas' and the world's major exporter of manufactured goods.

Gain an insight into international design and design from a European perspective.

Visit historical and cultural sites such as the Bauhaus in Weimar, design archives, applied design museums, industry visits such as Braun AG and trade expo's. Meet design staff and students in three of our German partner universities.

Stay in Mainz, Berlin and Meissen. Travel to Darmstadt, Frankfurt, Essen, Bonn, Cologne, Weimar and Dresden.

Accommodation is in hotels, hostels and apartments. Price includes air fares, insurance, accommodation and land transport.

This is a 3 week, 12.5 Cr Pt Subject.

Expressions of interest to Anne Howell Co-ordinator - Student Programs on 9214 6872 or email directly to anhowell@swin.edu.au to be on the mailing list. The tour will be conducted by a German speaking Industrial Design staff member

Conditions: Completion of two semesters. The final dates and the tour details are yet to be confirmed. A minimum of ten students will be required for the tour to proceed. Final cost to be determined - land content only may be available.

Final cost will be determined by student numbers.
Limited scholarship funding available.
