

[A guide to accessing information in hospital libraries in the Melbourne metropolitan area.](#)

Conditions of access by students

Prior to visiting a library always:

- Search the Serials in Australian Libraries database (<http://www.swin.edu.au/lib/database/sal.htm>) to find out which issues of journals are owned by hospital libraries and to obtain Call Numbers.
- Ring the library to request access, check opening hours, and the library's location within the hospital.

Take the following with you:

- Your Swinburne Student ID card
- Accurate citations for the books, articles or journals you wish to use
- Sufficient change for photocopying.

On arrival report to the librarian at the desk, introduce yourself and state the purpose of your visit.
