**Tell us how you have demonstrated your ability to positively lead others, to collaborate and work well in a team and show respect and flexibility.**
Being an RA often requires a bit of ‘heart to heart’ and “hard conversation”. Tell us about a time when you have had to have a hard conversation with your peer and explain how you went about it. What was the outcome?

Swinburne is home to students from all over the world. How do you engage with different cultures? Give three examples of times when your ability to integrate and value different cultures has come into play.
Demonstrate your ability to apply strong organisational skills, in situations of careful planning, as well as ‘last minute’.

Being an RA comes with its challenges. In order to do well in the role, you need to be in it for the right reasons. Explain why you have decided to apply for the role. What will you bring to the role? What difference and changes do you think you can make to the Residential Community? What steps do you take when the going gets tough?
