Swinburne Annual Appeal.

Knowing that you are part of our past and
understanding you are part of our future.

KNOW
ING

When you support **Swinburne's Annual Appeal**, you are helping empower students to make their mark on the world.

Your gift could lead to an important scientific discovery, solve a critical social problem or create a future leader ...

The possibilities are endless.

Funds raised through the appeal support our commitment to put students first, make education more accessible, encourage creativity and inspire excellence.

Your donation will help us do what Swinburne does best, produce career ready graduates with the skills and knowledge to make a real impact in the world.

Your support prepares Swinburne for new challenges.

"We must always admire the spirit of our students who tomorrow, will challenge and shape our world."

Professor Linda Kristjanson
Vice-Chancellor and President

"Receiving the scholarship lifted a burden – I felt like someone had my back."

Apollo First in Family scholarship recipient

Your gift – your choice.

Your support of our priority funding initiatives will allow us to continue to build on our strong foundations of success. We want to shape the future.

Scholarships

Student scholarships are one of the many ways you can give to Swinburne.

Your gift provides financial relief for a particular group of students in need.

- Increasing the Scholarship Endowment Fund
- Funding Indigenous Education Support Scholarships for Aboriginal and Torres Strait Islander students
- Funding Welcome Scholarships to encourage refugee, migrant and new Australians for both PAVE and undergraduate students
- Funding undergraduate scholarships to promote Women in STEM

Transformative translational research

At Swinburne, we keep our research focused so we can deliver big results. With your support, we are able to operate in niche and emerging markets, and grow our reputation for innovation and excellence in applied research.

Your support allows us to continue this work and develop world-changing outcomes.

At Swinburne we attract world-class minds. We offer our research students, our research staff and our collaborators the opportunity to participate in world-changing projects.
