Swinburne CERES Global

IT for Social Impact Timor

20th June—4th July

Share your IT & Business skills with the world

Join us on our 1st visit to Timor-Leste (TL) and start the work of IT for social impact that has been so successful in India in conjunction with our friends and partners CERES Global.

◊ Develop your Leadership & Project Management skills
◊ Work with village and community-based organisations.
◊ Diagnose and repair PC equipment in schools and community organisations
◊ Trial proof of concepts such as Library Box and build it yourself Kano computers
◊ Conduct hands-on technology, learning and games workshops with children
◊ Conduct technology and social audits of villages
◊ Conduct Web and Social Media Dev
◊ Explore entrepreneurial opportunities with individuals and community groups.

Unforgettable experiences

◊ Be part of the first Swinburne IT group to visit TL.
◊ Use your education and experience to do worthwhile and practical work in the field. Meet local people who value your contribution and will give you new perspectives on culture and lives lived.

Costs
5 x $2,500 New Colombo Plan (NCP) grants available for Australian students
Approximate out-of-pocket cost: $1200 after NCP grant applied. Students may be able to place this amount into OS-HELP. Eligibility criteria apply.
Cost includes return international airfare, accommodation, meals, transport in Timor-Leste. Overall, priceless!
