

# Swinburne Start.

'The teachers are really great. They are highly skilled and show you everything you need to know. The small class sizes mean you can get all the attention you need to assist your learning. All the hands-on learning is awesome.'

Andrew

## WHAT IS IT?

Swinburne Start is a contact centre servicing Croydon and Wantirna campuses, with a focus on:

- Pre-enrolment guidance and advice for future students.
- Providing a contact point for referrals from schools into Vocational Education.
- Providing apprenticeship training and traineeship guidance.
- One-on-one appointments for course advice.
- Campus tours for future students.
- Development of VET in School programs in the Eastern region.

## WHO IS IT FOR?

- Prospective students
- Apprentices and trainees
- Schools
- Career teachers
- Youth workers
- Parents

## VOCATIONAL EDUCATION TRAINING (VET)

- Provides accredited, nationally recognised education and training in job-related and technical skills.
- Prepares students for specific trades and careers.
- Delivers workplace specific skills relating to an occupation.
- Provides an education that directly relates to getting a job.
- Provides Pathways to further education.

## VOCATIONAL TRAINING @ SWINBURNE

Swinburne's Croydon and Wantirna campuses offer courses from Certificate I to Certificate IV, Diploma and Advanced Diploma in the following study areas:

- Business, Design, Media and Arts, ICT and Finance.
- Health and Sciences, General Education, Youth and Community.
- Pre-Apprenticeships and apprenticeships in Carpentry, Plumbing, Electrical, Environment and Horticulture, and Engineering Technology.
