Swinburne University of Technology

Course Information

Swinburne University of Technology
BA-CS
Bachelor of Computer Science

Admission criteria

Information about Swinburne’s general admission criteria can be found at Admissions at Swinburne – Higher Education webpage.

A. Applicants with recent secondary education (within past two years)

ATAR

This course uses the ATAR as part of its selection considerations.

Guaranteed ATAR: If you receive an ATAR of 70 or higher and meet all the essential requirements for this course, you will be guaranteed an offer.

Educational history

An applicant’s entire academic history, including ATAR results, will be considered for entry into this course.

Selection rank adjustments

Selection ranks for this course will be calculated based on your ATAR with adjustments to overall study scores based on subjects studied, location of your home address, SEAS application, and participation in Swinburne’s Early Leaders program. For further details about selection rank adjustments, see Admissions at Swinburne.

Subject Adjustments

A study score of 25 in Algorithmics (HESS), any Information Technology, any Mathematics or any Science equals 2 aggregate points per study. Overall maximum of 15 points.

Meeting course prerequisites

Units 3 and 4: a study score of at least 25 in English other than EAL or at least 30 in English (EAL); Units 1 and 2: satisfactory completion in two units (any study combination) of Maths: General Mathematics, Maths: Mathematical Methods or Maths: Specialist Mathematics or Units 3 and 4: a study score of at least 20 in any Mathematics.

ATAR profile for those offered places wholly or partly on the basis of ATAR in Semester 1 2019

B. Applicants with higher education study

Educational history

An applicant’s entire academic history, including results from previous higher education study will be
Meeting course prerequisites
As for Year 12 or equivalent.

STAT/Bridging courses
Results from the STAT Multiple Choice will be considered for applicants without an ATAR and whose post-secondary studies do not meet the minimum requirements. Applicants who do not meet the English prerequisites can sit STAT Written English and applicants who do not meet the Mathematics prerequisite can sit the STAT Multiple Choice.

Mathematics study scores older than ten years are not considered to have met course prerequisite requirements. STAT results are valid for two years.

C. Applicants with vocational education and training

Educational history
An applicant’s entire academic history from the past seven years, including complete and/or incomplete post-secondary VET studies, will be considered for entry into this course. Only graded results will be considered.

Meeting course prerequisites
As for Year 12 or equivalent.

STAT/Bridging courses
Results from the STAT Multiple Choice will be considered for applicants without an ATAR and whose post-secondary studies do not meet the minimum requirements. Applicants who do not meet the English prerequisites can sit STAT Written English and applicants who do not meet the Mathematics prerequisite can sit the STAT Multiple Choice.

Mathematics study scores older than ten years are not considered to have met course prerequisite requirements. STAT results are valid for two years.

D. Applicants with work and life experience

Entire academic record
This course uses an applicant’s entire academic record as part of its selection considerations, including an applicant’s ATAR results from the last seven years can be considered for entry into this course.

Meeting course prerequisites
As for Year 12 or equivalent.

STAT/Bridging courses
Results from the STAT Multiple Choice will be considered for applicants without an ATAR and whose post-secondary studies do not meet the minimum requirements. Applicants who do not meet the English prerequisites can sit STAT Written English and applicants who do not meet the Mathematics prerequisite can sit the STAT Multiple Choice.

Mathematics study scores older than ten years are not considered to have met course prerequisite requirements. STAT results are valid for two years.
Student profile
The table below gives an indication of the likely peer cohort for new students in this course. It provides data on students who commenced in this course in the most relevant recent intake period, including those admitted through all offer rounds and international students studying in Australia.
