Vocational Education (VE) courses will have two major full time intakes each year.

Students may apply to join a course on a monthly basis. Note: Students may not be able to enrol into a full time load in the first instance.

Students will be provided with a calendar that identifies the important dates for their course.

Additional Information:
* Vocational Education (VE) & Higher Education (HE) International Start Dates are the weeks commencing 3 March and 4 August.
* Once admitted into a course, students will be sent information about how to enrol into specific units.
