Helping you become who you want to be

Students come first at Swinburne. We equip our students with the knowledge and capabilities they need to establish successful careers through high-quality teaching and industry-engaged learning.

**Quality teaching**

With a reputation for quality education and focused research, Swinburne attracts highly qualified academics and educational leaders who have industry experience in the areas they teach.

**Industry-focused courses**

Industry advisers are active on our course panels, ensuring that what you learn is relevant to employers. You’ll also learn from academic staff who have industry experience and are talented in bringing that experience to their teaching.

**Flexible study options**

Swinburne offers flexible study options so you can fit study into your busy life. Students have access to online study, part-time study, distance education or a combination of two or three study modes. Some programs offer extra units of study during our Summer and Winter terms, allowing you to speed up your studies and finish your course sooner.

**World-ranked university**

Swinburne is an internationally recognised research-intensive university. Our rankings – top 400 in the world and top three in Melbourne by the 2014 Academic Ranking of World Universities – prove the success of our focus on and investment in research and research infrastructure. It is why we are leaders in science, technology, innovation, business and design.

**Modern and convenient campus**

Our main campus is located in the vibrant suburb of Hawthorn. We offer a supportive and secure study environment with modern facilities. Our new Advanced Manufacturing and Design Centre is a symbol of the study opportunities, innovative thinking and dynamic campus life at Swinburne.

I hope you see you at Swinburne in 2015.

**Professor Linda Kristjanson**

Vice-Chancellor and President
Swinburne University of Technology
