Unit replacement information

Changes have been made to the design and delivery of some units in your course. These changes will come into effect from 2018.

In most cases a replacement unit will be identified by the faculty and this change will be reflected on your study plan.

Notes have been added to certain units to identify that the change is only specific to a particular course or student cohort.

Change Information

- New Version of Unit**
Minor updates to the unit have occurred resulting in a new unit version.
- New Unit**
Unit has been replaced by a new unit in the course structure
- Discontinued Unit**
A unit that has been permanently removed from the course.

What is a component unit?

A unit that forms part of a second major/co-major/minor or elective, that you select.

Where can I find out more about individual unit content?

Visit [Single Unit Search](#) page to search for additional unit content.

What's a full-time study load?

100 credit points (8 units per year)

What's a part-time study load?

50 credit points (4 units per year)

How can I plan my timetable to make sure my lectures don't clash?

Check the [University Timetable Planner](#) before enrolling into units.

Where can I find what online units are available?
