## BACHELOR OF HEALTH SCIENCE - Neuroscience Major

### BA-HSC1

Recommended Sequence

Units are listed on your Course Planner in a recommended sequence. However this can be amended depending on unit availability, unit progression, timetabling and the semester in which you commenced your course.

### Course Information

#### Core Units

<table>

</table>

### Work Integrated Learning (WIL)

#### Professional Placement

An additional 6 months or 1 year to your course. Your course rules will be modified to accommodate the Professional Placement.

#### Electives

A standalone unit from any study area.

### What is a component unit?

A unit that forms part of a second major/co-major/minor or elective, that you select.

### How can I find which component units I can enrol in?

Visit Bachelor of Health Science Course Information for major/co-major/minor and elective options.

### What's a full-time study load?

100 credit points (8 units per year)

### What's a part-time study load?

50 credit points (4 units per year)

### How can I plan my timetable to make sure my lectures don’t clash?

Check the University Timetable Planner before enrolling into units.

### Where can I find what online units are available?

Check the Swinburne Online Units for online offerings.

### What do the symbols mean?

- += Credit points

---

### Your First Semester

<table>
<thead>
<tr>
<th>Unit Code</th>

</tr>
<tr>
<td>HEA10001</td>
<td>Introduction to Health Sciences</td>
</tr>
<tr>
<td>MTH00007</td>
<td>Preliminary Mathematics or Component unit</td>
</tr>
</tbody>
</table>

**Component unit**

### Your Second Semester

<table>
<thead>
<tr>
<th>Unit Code</th>
<th>Unit Name</th>
</tr>
</thead>
<tbody>
<tr>
<td>PSY10003</td>
<td>Psychology 100</td>
</tr>
<tr>
<td>STA10003</td>
<td>Foundation of Statistics</td>
</tr>
<tr>
<td>NEU10002</td>
<td>Neuroscience</td>
</tr>
</tbody>
</table>

**Component unit**

### Component Unit

A set of compulsory units you **MUST** complete as part of your Course.

### First Major Units

A structured set of 8 units or 100 credit points in a field of study specific to your course.

### Component Units

Can be completed from a combination of the following:

- **Second Major**
  A structured set of 8 units or 100 credit points in a field of study specific to your course which you can choose in addition to a first major.
- **Co-Major**
  A structured set of 8 units or 100 credit points in a field of study outside your course area which you can choose in addition to a first major.
- **Minor**
  A structured set of 4 units or 50 credit points from a field of study which you can choose in addition to a first major.
- **Electives**
  A standalone unit from any study area.

---

* Students who select a Major in Biomedical Science and Neuroscience are expected to have completed some prior study in Mathematics. Students who have not completed VCE Units 3 & 4 Mathematical Methods or Further Mathematics or equivalent are expected to first take MTH00007 Preliminary Mathematics as an elective unit before commencing the major.
