- **INF20014** Integrated Professional Placement B
- **WEI20001** Work Experience in Industry A
- **ICT30001** Information Technology Project
- **ICT30005** Professional Issues in Information Technology
- **INF30011** Database Implementation

### Fast Track - Summer/Winter/Online
- Component unit

### Professional Placement Co-Major
- **WEI20002** Work Experience in Industry B

---

**Recommended Sequence**

Units are listed on your Course Planner in a recommended sequence. However, this can be amended depending on unit availability, unit progression, timetabling and the semester in which you commenced your course.

**How can I find which component units I can enrol in?**

Visit Bachelor of Information and Communication Technology Professional Course Information for major/co-major/minor and elective options.

**What's a full-time study load?**

100 credit points (8 units per year)

**What's a part-time study load?**

50 credit points (4 units per year)

**What's Fast Track?**

To complete your course in 3.5 years, you will need to complete 2 units over a Summer/Winter/Online teaching period or during your placement year. A core/first major unit is listed under fast track, this unit(s) may need to be completed during your placement year.

**How can I plan my timetable to make sure my lectures don't clash?**

Check the University Timetable Planner before enrolling into units.

**Where can I find what online units are available?**

Check the Swinburne Online Units for online offerings.
