### Core Units
A set of compulsory units you **MUST** complete as part of your Course.

### First Major Units
A structured set of 8 units or 100 credit points in a field of study specific to your course.

### Component Units
Can be completed from a combination of the following:
- **Second Major:** A structured set of 8 units or 100 credit points in a field of study specific to your course, which you can choose in addition to a first major.
- **Co-Major:** A structured set of 8 units or 100 credit points in a field of study outside your course area which you can choose in addition to a first major.
- **Minor:** A structured set of 4 units or 50 credit points from a field of study which you can choose in addition to a first major.
- **Electives:** A standalone unit from any study area.

### Recommended Sequence
Units are listed on your Course Planner in a recommended sequence. However this can be amended depending on unit availability, unit progression, timetabling and the semester in which you commenced your course.

#### Your First Semester
- **BIO10004** Anatomical and Physiology
- **HEA10001** Introduction to Health Sciences
- **STA10003** Foundations of Statistics

#### Your Second Semester
- **PSY10003** Psychology 100
- **MDA10006** Innovation Cultures: Perspectives on Science and Technology

#### Your Third Semester
- **MDA30012** Researching Social Media Publics
- **HEP30001** Health Promotion Project
- **MDA30012** Researching Social Media Publics

### Professional Placement
An additional 6 months or 1 year to your course. Your course rules will be modified to accommodate the Professional Placement.

### Work Integrated Learning (WIL)
A Professional Placement is a Work Integrated Learning (WIL) option. You can apply for Professional Placement during your second year. More information on Professional Placement and other WIL options at [Work Integrated Learning](https://www.swinburne.edu.au/).
