---

**Fast Track**
To complete your course in 3.5 years, you will need to complete 2 units over a Summer/Winter/Online teaching period or during your placement year. If a core/first major unit is listed under fast track, this unit(s) may need to be completed during your placement year.

**Recommended Sequence**

Units are listed on your Course Planner in a recommended sequence. However this can be amended depending on unit availability, unit progression, timetabling and the semester in which you commenced your course.

**What is a component unit?**
A unit that forms part of a second major/co-major/minor or elective, that you select.

**How can I find which component units I can enrol in?**
Visit Bachelor of Health Science Professional Course Information for major/co-major/minor and elective options.

**What's a full-time study load?**
100 credit points (8 units per year).

**What's a part-time study load?**
50 credit points (4 units per year).

**What's Fast Track?**
To complete your course in 3.5 years, you will need to complete 2 units over a Summer/Winter/Online teaching period or during your placement year. If a core/first major unit is listed under fast track, this unit(s) may need to be completed during your placement year.

**How can I plan my timetable to make sure my lectures don’t clash?**
Check the University Timetable Planner before enrolling into units.

**Where can I find what online units are available?**
Check the Swinburne Online Units for online offerings.
