**Recommended Sequence**

Units are listed on your Course Planner in a recommended sequence. However this can be amended depending on unit availability, prerequisite requirements and the semester in which you commenced your course. Changes to this planner may extend the duration of your course.

**How to use your Course Planner**

Refer to the below table to help explain what units are required each semester throughout your course. The units in your planner are colour coded to assist you with mapping out your studies.

- Bachelor of Health Science/Bachelor of Business Course: 425 Credit Points
  - Core units: 150 Credit Points
    - A set of compulsory units you must complete as part of your Course.
  - Health Science Major units: 175 Credit Points
    - A structured set of 8 units or 100 credit points in a field of study specific to your course.
  - Bachelor of Business Major units: 100 credit points
    - A structured set of 8 units or 100 credit points in a field of study specific to your course.

**Component Units**

- Credit points
  - Can be completed from a combination of the following:
    - MINOR
      - A structured set of 4 units or 50 credit points from a field of study that you can choose in addition to a first major.
    - ELECTIVES
      - A standalone unit from any study area.

**Professional Placement**

- 50 / 100 Credit Points
  - A Professional Placement is a Work Integrated Learning (WIL) option. You can apply for Professional Placement during your second year. More information on Professional Placement and other WIL options at Work Integrated Learning.
