Year Two

Year Three

Optional Component

Professional Placement
An additional 6 months or 1 year to your course. Your course rules will be modified to accommodate the Professional Placement.

Year Four

Year Five

How to use your Course Planner

Refer to the below table to help explain what units are required each semester throughout your course. The units in your planner are colour coded to assist you with mapping out your studies.

Bachelor of Health Science/ Bachelor of Science
425 Credit Points

Core units
150 Credit points
A set of compulsory units you must complete as part of your course.

Psychology and Forensic Major units 175 Credit points
A structured set of 14 units or 175 credit points in a field of study specific to your course.

Bachelor of Science Major units 100 credit points
A structured set of 8 units or 100 credit points in a field of study specific to your course.

Component Units
6 credit points
Can be completed from a combination of the following:
MINOR
A structured set of 4 units or 50 credit points from a field of study which you can choose in addition to a first minor.

ELECTIVES
A standalone unit from any study area.

Professional Placement 50 / 100 Credit points
A Professional Placement is a Work Integrated Learning (WIL) option. You can apply for Professional Placement during your second year. More information on Professional Placement and other WIL options at Work Integrated Learning.
