

Apprentice Course enrolment planner

Certificate III in Plumbing
CPC32413 – Group PA1H2

Students attend **Cert III in Plumbing** as part of a four-year apprenticeship. Successful completion of this course will allow students to attempt the plumbing registration exam conducted by the Victorian Building Authority. Students learn the skills and knowledge required to work in their specific area of plumbing, such as water, sanitary, drainage, roofing, gas services or mechanical services.

Course Information
Intake: VET Feb Intake 2021
Start date: 7 February 2022
Location: WANTIRNA Campus
Duration: 3 year
Course Structure

The Certificate III in Plumbing has core and elective units of competency requirements that cover common and specialist skills for the plumbing industry in six specialist streams.

If you cannot see units on the **My Enrolment Tab** ensure you have accepted your offer on the **Offer Tab** and the **Terms and Conditions** on the **My Enrolment Tab**.

Complete enrolment into units:
Select the year, All Study Periods and All Locations. See below for an example. You must **enrol in all units** as set out on Course Planner below.

How to use your course planner

Refer to the below guide to help you work out the correct units to enrol into for each teaching period. The units in your planner are colour-coded to assist with mapping out your studies over the duration of your course

Course Information

Practical placement
Is a requirement of this course.

How do I enrol into units online?
For help on how to enrol in units on your Study Plan, please refer to our **online help guide**.

When do my classes start?
Classes for units will commence in the week of 7 February 2022

Can I study a unit not listed in this guide?
If you would like to speak with someone about selecting alternative units, please contact **studentHQ** to make an appointment with a Enrolment Advisor.

How do I get recognition for my existing qualifications or experience?
Learn more about **Advanced Standing (Academic Credit)**.

How will I be assessed?
You will be given a unit outline for each unit via our online learning system (Canvas). Each unit outline explains what you will learn and how you will be assessed. Assessment methods may include: portfolios, reports, case studies, practical tasks, presentations and group work.

Do I need any special equipment?
No special equipment is required to undertake units within this course.

What happens if I stop studying before I complete my course?
If you do not intend to continue with your course, you must submit a **Withdrawal from Course application**. If you stop studying before completing the course requirements, you can request to be issued with a **Statement of Attainment** that lists the units you have successfully completed.

Where can I find more information about being a Swinburne student?
Our **Current Students webpage** contains information about managing your course, financials, results, graduations, student support, student services, life on campus and additional learning opportunities

Where can I find more information about course costs/fees?
Our **Fees website** contains information on course fees, including a handy fees calculator, the types of Government assistance available, details on how to make a payment, payment due dates and more.

Pathways to future study
Pathways allow you to progress from one qualification to another where the first course is recognised as an entry requirement and/or provides advanced standing. You can take advantage of pathway arrangements from one Swinburne course to another or benefit from study completed at another institution. Pathway options may be subject to academic performance. Learn more about **pathways**.

What if I have any other questions?
For further assistance please contact **studentHQ**.
