How to use your Course Planner
Refer to the below table to help explain what units are required each Teaching Period throughout your course. The units in your planner are colour coded to assist you with mapping out your studies.

Course Information
Course 100 Credit Points

Core units 87.5 Credit points
A set of compulsory units you MUST complete as part of your Course.
Elective Units (choose 1) 12.5 credit points
Select 1 elective unit in Pathways Teaching 2.

FAQs
What's a full-time study load?
100 credit points (8 units per year)

How can I find out more information about my course and units?
Visit [Diploma of Information Technology \(UniLink\)](#) for further details about your course.

COURSE ENROLMENT PLANNER

How do I enrol into units online?

For help on how to enrol in units on your Study Plan, please refer to our online [help guide](#).

Can I study a unit not listed in this guide?

If you would like to speak with someone about selecting alternative units, please contact [studentHQ](#) to make an appointment with an Enrolment Advisor..

What happens if I stop studying before I complete my course?

If you do not intend to continue with your course, you must submit a Withdrawal from Course application. If you stop studying before completing the course requirements, you can request to be issued with a [Statement of Attainment](#) that lists the units you have successfully completed.

Pathways to future study

Pathways allow you to progress from one qualification to another where the first course is recognised as an entry requirement and/or provides advanced standing. You can take advantage of pathway arrangements from one Swinburne course to another or benefit from study completed at another institution. Pathway options may be subject to academic performance. Learn more about [pathways](#).

What if I have any other questions?

For further assistance please contact [studentHQ](#).
