## Useful Information

### Practical placement

Students must successfully complete 120 hours of practical placement.

### How do I enrol into units online?

For help on how to enrol in units on your Study Plan, please refer to our [online help guide](#).

### When do my classes start?

Classes for units will commence in the week of 12th July 2021.

### Can I study a unit not listed in this guide?

If you would like to speak with someone about selecting alternative units, please contact [studentHQ](#) to make an appointment with a Enrolment Advisor.

### How do I get recognition for my existing qualifications or experience?

Learn more about [Advanced Standing \(Academic Credit\)](#).

### How will I be assessed?

You will be given a unit outline for each unit via our online learning system (Canvas). Each unit outline explains what you will learn and how you will be assessed. Assessment methods may include: portfolios, reports, case studies, practical tasks, presentations and group work.

### Do I need any special equipment?

No special equipment is required to undertake units within this course.

### What happens if I stop studying before I complete my course?

If you do not intend to continue with your course, you must submit a [Withdrawal from Course application](#). If you stop studying before completing the course requirements, you can request to be issued with a [Statement of Attainment](#) that lists the units you have successfully completed.

### Where can I find more information about being a Swinburne student?

Our [Current Students webpage](#) contains information about managing your course, financials, results, graduations, student support, student services, life on campus and additional learning opportunities

### Where can I find more information about course costs/fees?

Our [Fees website](#) contains information on course fees, including a handy fees calculator, the types of Government assistance available, details on how to make a payment, payment due dates and more.

### Pathways to future study

Pathways allow you to progress from one qualification to another where the first course is recognised as an entry requirement and/or provides advanced standing. You can take advantage of pathway arrangements from one Swinburne course to another or benefit from study completed at another institution. Pathway options may be subject to academic performance. Learn more about [pathways](#).

### What if I have any other questions?

For further assistance please contact [studentHQ](#).
