Message from the Deputy Fair Work Ombudsman, Corporate

I am pleased to present the Fair Work Ombudsman (FWO) Diversity and Inclusion Strategy for 2018-2021 (Strategy).

The FWO is committed to workplace diversity and inclusion through fostering a supportive, respectful and engaging environment for our employees and customers. The FWO values the diverse backgrounds and experiences of our employees and the contribution they make to enhancing our workplace culture and supporting the services and offerings provided to our customers.

This Strategy represents our ongoing commitment to creating a diverse and inclusive workplace culture in which we:

- build diversity through ensuring access and opportunity for all
- foster inclusion by increasing awareness through training and sharing our experiences
- enhance potential by our leaders driving an inclusive, flexible and collaborative workplace.

Supporting this strategy and its associated action plan is everyone’s responsibility. I encourage all our employees to actively contribute to creating a diverse and inclusive workplace.

Our diversity profile

The FWO recognises that all employees make valuable and diverse contributions to the workplace. However, within our society some diversity groups have been traditionally disadvantaged and underrepresented in the workplace. For these reasons the FWO is committed to increasing diversity and inclusion in the areas of:

- Aboriginal and Torres Strait Islander peoples
- Disability
- Gender Equality
- Culturally and Linguistically Diverse (CALD)
- Mature Age
- Lesbian, Gay, Bisexual, Transgender, Intersex (LGBTI).

At 31 December 2017, 74%¹ of FWO’s workforce identified as part of one or more of the listed diversity groups. Our diversity profile is shown in the following diagram.
