

22469VIC Course in Introduction to the National Disability Insurance Scheme (NDIS)

2021 Deliveries

The Course in Introduction to the National Disability Insurance Scheme (NDIS) is delivered with a combination of online self-paced learning and teacher facilitated online scheduled sessions. The blended delivery model combines tutorials, activities and role plays as well as self-paced learning. You will need access to a computer with a reliable internet connection and sufficient data allowance and connection speed.
