

Swinburne Innovation Studio – Elevate Program Video Voiceover script

Scale your startup and become investment ready

Accelerate your startup's growth with equity-free funding*, rent-free co-working spaces* and establish valuable connections with world-leading academics, entrepreneurs, industry-experts, investors and mentors to navigate your next steps to success. With elevate, you are sitting here, in the early-stage VC.

We are seeking founders with the ambition, determination and resilience to transform their startup into an impactful global business. The Elevate Program is designed for mid-stage startups with an established product or service ready for market and founders eager to scale rapidly.

All successful participants will receive*:

- Access to Swinburne's pioneering Elevate Program featuring seminars, masterclasses, personal mentoring, coaching and accountability sessions
- A\$20,000 in equity-free funding distributed on three instalments over the 12 weeks
- three months of rent-free coworking space at Swinburne's Hawthorn campus
- valuable connections to world-leading entrepreneurs, academics, mentors, industry experts and investors
- free 12-month membership to The Startup Network Community
- a unique opportunity to pitch directly to mentors, investors and potential partners at the Pitch Night

We are seeking startups with market-ready products or services, led by founders eager to scale rapidly and preparing for a pre-seed or seed-fundraising round.
