

Innovation In Action

School Holiday Program

Challenge yourself in Swinburne University of Technology's Innovation in Action program for high ability year 9 to 12 students.

The Innovation in Action school holiday program is a unique opportunity for high-achieving students in years 9 to 12 to explore their potential. Spend a day at our Hawthorn Campus, where you'll participate in interactive workshops that push the boundaries of traditional learning. Collaborate with like-minded peers, challenge yourself in a fast-paced environment, and produce a rapid prototype to solve a real-world problem. This program is designed to make learning exciting and inspire your future goals. Don't miss out on this chance to innovate and shine!

The program is part of the Victorian Challenge and Enrichment Series (VCES) program, funded by and developed in partnership with the Victorian Department of Education.

In this program, you will:

- Identify and analyse a real-world problem
- Design possible solutions to your chosen problem
- Create a rapid prototype for your solution
- Pitch and evaluate your prototype with your peers

Date: Friday 3 October 2025

Time: 9:45am – 3:30pm

Location: Hawthorn Campus, Swinburne University of Technology, Hawthorn VIC 3122
