## Pathway to Victoria Scholarship

There's no better way to commence your studies at Swinburne University of Technology than with the Pathway to Victoria Scholarship Program - available as part of the Victorian Government's International Education Short-Term Recovery Plan.

### What's on offer?

You could receive a one-off payment of A\$2500 towards your pathway program tuition fees.

Plus, you could also receive a Swinburne International Excellence Pathway Scholarship worth an additional A\$2500 - meaning you could receive a **total A\$5000 off your tuition fees**.

### Am I eligible?

The Pathway to Victoria Scholarship is available to new commencing international students studying an eligible pathway course prior to beginning their award degree at Swinburne.

### Eligible pathways include:

- ELICOS
- Foundation Year
- UniLink Diploma
- Postgraduate Qualifying Program
- Vocational education pathways.

You must complete the pathway component of your course and continue on to your award degree at Swinburne by August 2023.

You will be automatically assessed for a Pathway to Victoria Scholarship when you submit a course application to Swinburne. No separate application form required.

Program places are limited, so [chat with our international team](#) or [contact your nearest agent representative](#) today.
