### ***FINAL x FINAL: Ep 2***

#### ***WHAT'S THE BIGGEST DIFFERENCE BETWEEN YEAR 12 AND UNI?***

DREW: The biggest difference between year 12 and uni... Is... You don't have to ask to go to the toilet.

TANYA: Ok well, I mean year 12 is pretty hectic, so so much pressure because you're trying to get into the uni course you want, you've got teachers nagging you, your parents nagging you.

I think when you go into uni, you go into something that you enjoy, and the pressure kind of comes off as well, you're only working for yourself.

SARAH: It's sort of all up to you, about whether you want to get high marks, whether you want to make heaps of friends, whether you want to join clubs, not that you can't do all of them at the same time, you can definitely do it all.

DREW: When you're in high school you basically have to be friends with the people who are around you, but at university, you get to choose the people that you're around.

TANYA: I think the people in my course I will be friends with like for the rest of my life,

DREW: So you never have to be around people who aren't your friends.

SARAH: It's really sort of that freedom of you get to learn what you want to learn,

TANYA: The best part is, that even though you're a student they treat you like you're an adult. Uni life is the best really and I'm kind of sad that I'll be graduating soon because I'm going to miss this.
