## News and events

### Swinburne School Programs 2023 Guide now live

Our 2023 School Programs Guide is now available to download and share with your colleagues. Our guide provides a snapshot of the different ways that your school can engage with Swinburne, whether it be incursions and excursions for students, enrichment and equity programs, or Teacher Professional Learning opportunities.

**Download the guide**

### Career Practitioners' Seminar 2023

For those who were able to attend, thank you for braving the heat and attending our Career Practitioners' Seminar last week. We hope you gained lots of useful insights and information about pathways to Swinburne to share with your students.

We greatly appreciate any feedback you might have from the day, so if you could spare five minutes, please share your thoughts by completing the survey below. Everyone who responds will go into the draw to win a Village Cinemas Gold Class Experience voucher.

**Take the survey**

### Course highlight: Bachelor of Media and Communication

We launched our next gen\_now Media and Communication degree at our Career Practitioners' Seminar last week. From 2024, your students will be able

to select a new major (Immersive Media) and complete four new tech-rich core units covering issues such as big data, media ownership, the influence of social networking, and the impact of AI on the media and communication industries.

Students can complete these new units through either the standard or Professional Degree and will graduate with an Adobe Professional Portfolio.

## Access new resources

We've put together some of the useful information that was shared during last week's Career Practitioners' Seminar. These resources are a great tool for attendees who would like to revisit what they learned at this year's seminar, as well as anyone who couldn't make it on the day.
