

# Leading in a Hybrid Environment

# Leading in a Hybrid Environment

🕒 1 day 📍 Live Online, Workplace training

Employee productivity levels can be a concern for business leaders who are new to leading teams in a hybrid (a combination of remote and in-person) environment.

Our Leading in a Hybrid Environment short course is designed to provide you with key insights to understand the positive impacts that a hybrid workplace can provide with the right leadership framework.

Swinburne has leveraged the latest research, combined with extensive in-field experience, to support thousands of leaders facing this new challenge.

We'll teach you four leadership competencies and the skills to develop an action plan to effectively lead in a hybrid environment and approach the future of work.

\*This is a workplace training and development product. Contact us on the button below to receive an obligation free consultation and quote based on your organisational needs.

## Learning outcomes

Upon completion of this course, participants will be able to:

- Explore how hybrid work can be leveraged to lift productivity, engagement and performance across modern teams.
- Critically assess your organisation's readiness for hybrid work, identifying where leadership focus will have the greatest impact.
- Create a clear, practical action plan to embed effective and sustainable hybrid working practices.
- Demonstrate visible, intentional leadership behaviours that build trust, connection and accountability in hybrid teams.
- Apply four essential leadership competencies to lead with confidence in a hybrid work environment.

## Skills outcomes

Through this course, participants will develop the following skills and knowledge:

- Leadership
- Hybrid workplace planning
- Communication

## What you can expect

- learn alongside professional peers, enhancing your network
- the immediate knowledge and confidence to implement your new skills.

## Who should attend?

This course is designed for leaders who want to effectively manage employees who work in a hybrid work environment and capitalise on the positive benefits.

## Pre-course work

There are no pre-requirements for this course.
