

Undergraduate degrees and pathways

_2025

At Swinburne, we're on a mission to bring people and technology together to build a better world.

We ditch tradition in favour of disruption. We launch fearlessly into the unknown. We learn by doing. We make a positive impact – every day. And, we're deeply embedded with industry through ambitious partnerships, and integrated student projects, placements and internships.

Join us. Be unapologetically you. Get more than a piece of paper. Get a next-gen degree.

Top 250 globally

Swinburne is ranked in the top 250 universities worldwide.

THE World University Rankings 2024

Guaranteed industry experience

for all bachelor degrees

Our students work with companies like Amazon Web Services, Deloitte, KPMG, and Richmond Football Club – while they study.

Cutting-edge facilities

Our \$5.2M Siemens Swinburne Energy Transition Hub, Space Technology and Industry Institute, Factory of the Future, and more are enabling ground-breaking and greener solutions.

Top-earning grads

Our design, business, psychology, and arts grads command the highest salaries in their fields in Melbourne.

QILT Graduate Outcomes Survey 2020–2022

We're a university and a TAFE

From apprenticeships and trades through to diplomas and degrees, as a dual sector university, we offer both vocational education and training plus higher education. Which means, we have a course for everyone.

Custom-fit and co-created

We've worked with industry partners to create courses packed with the skills your future employers want. They're also designed with maximum flexibility – so you can switch your major, change your degree, or supercharge your studies with a double major.

Contents

Acknowledgement of Country

We respectfully acknowledge the Wurundjeri People of the Kulin Nation, who are the Traditional Owners of the land on which Swinburne's Australian campuses are located in Melbourne's east and outer-east, and pay our respect to their Elders past, present and emerging.

YOUR NEXT-GEN CAMPUS

At Swinburne, you'll learn in an environment that's as dynamic and agile as the career you'll create. Our facilities are custom-built for innovation, so you can explore the tech and the techniques of tomorrow, today.

VICTORIAN HYDROGEN HUB

We're building on our strengths in design, digitalisation and Industry 4.0 to push the boundaries of what hydrogen can deliver – ensuring a more sustainable future.

FACTORY OF THE FUTURE

Here, collaborative robots, advanced simulation tools, 3D printers and high-precision scanners assist in modernising, innovating, optimising and prototyping.

PROTOLAB

This digital fabrication facility is frequently used for industry collaboration. Home to industrial robots, 3D printers, laser cutters and more, it's also where students from architecture and design go to create their prototypes.

SMART STRUCTURES LABORATORY

This \$15M lab is the only one of its kind in Australia. It can simulate earthquakes and help develop innovative, stronger and more sustainable materials.

DIGITAL ANATOMY LAB

Explore the human body with life-size interactive screens, and use the latest virtual reality, augmented reality and 3D modelling technology to take a closer look at life.

SPACE TECHNOLOGY AND INDUSTRY INSTITUTE

We combine deep knowledge in astrophysics, aerospace, aviation, advanced manufacturing and AI to help power this fast-emerging industry.

DESIGN FACTORY MELBOURNE

Part of a network of global innovation labs, here is where students from all disciplines collaborate to solve real-world problems.

FROM MELBOURNE TO ANYWHERE

Your learning doesn't stop on campus. Gain a big-picture perspective, build your confidence and immerse yourself in new ways of living with a study abroad experience. Our travel scholarships can help with the financials.

learn more

The big warm hug of uni life

From finding friends to getting study advice to feeling part of a community, Swinburne has a support service or specialist to get you through.

Figuring it out

School to uni can be a big leap. We'll help you get settled and set up for success.

Student Essentials Program

Co-created by students for anyone starting a bachelor degree at Hawthorn, this two-day program features sessions covering all the basics, like tips for balancing life and study, time management and mental fitness strategies, and hacks for getting the most out of your uni experience.

Pre-Orientation Program

A self-directed online program, you'll learn about transitioning to uni, connecting with peers, finding your study mojo and your professional purpose, and how to deal with setbacks. Find it in the Pre-Orientation Hub on Canvas (your student learning portal).

Orientation

Meet new friends, explore campus, attend an info session, and join a club (or two!). Orientation is your ultimate intro to uni life.

Moondani Toombadool Centre

Wominjeka! Our Indigenous Student Services team can assist with:

- pre-enrolment
- subject selection
- orientation
- graduation
- life beyond study.

Come have a yarn.
swinburne.edu.au/moondani

Feeling confident

We're here to help you through all aspects of life during your time at uni.

Support services

We're geared up to help you with:

- advocacy and legal advice
- careers and employment
- childcare
- disability support
- health and counselling
- housing
- financial advice.

Safety services

We take your safety seriously.

- Take the Hawthorn Night Bus home if you live locally.
- Ask a security officer to walk you anywhere on campus.
- Find maps, safety tools and support services on the Safe@Swin app.
- Get support with bullying or harassment from our Safer Community team.

Learning and Academic Skills Centre

Can assist with:

- essay, report and thesis writing
- researching and referencing
- making your presentations and assignments look pro
- study skills and prepping for exams.

Visit swinburne.edu.au/las

Mathematics and Statistics Help Centre

Fondly known as 'MASH', here's where to come for help with – you guessed it! – maths and stats.

Visit swinburne.edu.au/mash

Finding community

Get involved, give back, make connections (and forever friendships).

The Junction

Five zones. Two levels. One dedicated space for connecting and creating. Featuring café-style seating and charging stations, dedicated spaces for LGBTQIA+ and female students, an Esports Lounge and co-working spaces, The Junction has everything you need to level up your studies.

Swinburne Student Life

For clubs, sport, volunteering and leadership opportunities, you've come to the right place. Student Life also puts on heaps of fun events, like Orientation, the Pride parade, Netflix parties and other mini fiestas.

Visit swinburne.edu.au/studentlife

Swinburne Student Union

Be an activist for your fellow students and stand up for their rights and interests. You could also just join for the perks (wink!):

- free weekday breakfasts
- free printing
- locker hire
- local discounts and more!

Visit ssu.org.au

Real industry experience. Guaranteed.

At Swinburne, we guarantee you'll get real industry experience before you graduate as part of our Work Integrated Learning program. No fine print. No exceptions.

For more than 60 years, we've been collaborating with industry partners, such as NAB, Metro Trains, Richmond Football Club and more. All so you graduate as the confident, next-gen talent employers are looking for.

Simone

Bachelor of Business / Bachelor of Design
Professional Placement: NAB

"At the end of my placement I was offered an ongoing role. I have such a diverse network of industry professionals – if I had graduated without that network it would be really scary to think 'Where do I start?' But now I have so many people I know I can reach out to."

Work Integrated Learning opportunities

Professional Degrees

Get the ultimate degree with a paid (yes, paid) 12-month, full-time placement opportunity. Available in Arts, Business, Computer Science, Engineering, Health Science, Media and Communication, and Science. It's CV gold.

Internships

Connect your studies with professional practice. Steer your career in the right direction (while progressing through your studies) with a part-time, project-based internship over a semester or as an intensive block during a summer or winter term.

Placements

Upgrade your standard degree (and your employability and confidence) by adding in a 6- or 12-month full-time paid placement within a professional organisation.

Industry-linked projects

Experience embedded in your degree. Work with clients, learn how to respond to industry briefs, develop proposals or prototypes and get hands-on experience using the tools and methods used in your field of study.

Accreditation placements

In some study areas, work placements are a built-in requirement of your degree, providing you with vital hands-on experience in your chosen discipline and leading to formal accreditation in a professional area. Here's a quick breakdown:

	Education	Engineering	Law	Nursing	Exercise & Sports Science
Duration	80 days	12 weeks (minimum)	3 x 20-day experiences	800 hours (minimum)	140 hours in Year 3

Did you know?

Getting a Professional Placement or Professional Internship is competitive (like the real world) – meaning you'll need to create a CV, cover letter and participate in an interview as part of the selection process. Stress not, we have a team to guide you the whole way through.

Find the you in university.

Not sure what or where to study? This series of easy exercises have been designed to help turn your confusion into clarity. Ready? Let's go.

Discover you Read through. Circle the personality type (or types) most like you.

The realist

Primary trait: Hands-on
Fictional character: Erin Brokovich
Loves: Tangible results
Hates: Anything abstract
You prefer physical interaction in the real and the now.
Careers might include: pilot, builder, electrician, engineer, landscape designer, physio, lawyer, journalist, and more.

The investigator

Primary trait: Observant
Fictional character: Sherlock Holmes
Loves: Research
Hates: Rigidity
You're happiest tackling complex and nuanced problems.
Careers might include: psychologist, architect, scientist, systems analyst, cyber security analyst, biologist, and more.

The creator

Primary trait: Imagination
Fictional character: Willy Wonka
Loves: Self-expression
Hates: Life admin
You don't just *like* expressing yourself, you feel *compelled* to.
Careers might include: graphic designer, artist, film director, games creator, animator, and more.

The helper

Primary trait: Devotion
Fictional character: Miss Honey
Loves: Helping others
Hates: Injustice
You're a people person. Warm, tactful and persuasive, you're happiest when helping others thrive.
Careers might include: teacher, nurse, counsellor, and more.

The entrepreneur

Primary trait: Ambition
Fictional character: Logan Roy (except you're much nicer)
Loves: The spotlight
Hates: Routine
You're self-confident and get a thrill out of public speaking.
Careers might include: business manager, start-up founder, lawyer, journalist, and more.

The analyst

Primary trait: Efficiency
Fictional character: Velma Dinkley
Loves: Order
Hates: The spotlight
You're highly organised and efficient, and tend to prefer working in the background.
Careers might include: accountant, financial planner, engineer, IT and more.

Got a goal? We have a way in.

At Swinburne, no matter your ATAR or level of previous study, if you've got a goal in mind we can help find a path that's right for you. From certificate to bachelor degree and beyond. Chart your journey on this page.

Certificates range from 10 weeks to 12 months long. Certificates I and II teach you basic skills to get you working, fast. Certificates III and IV go deeper for apprenticeships, traineeships and more.

Diplomas range from 6 weeks to 2 years, and arm you with practical, industry-focused skills. A UniLink diploma (typically 8 months) can help you pathway seamlessly into a degree, without adding time or cost.

Bachelor degrees are usually 3 years long, but could be longer if you study law or education, you pursue honours, you undertake a year-long work placement or study a double degree.

Master degrees are the next step after a bachelor degree and will give you a high level of knowledge in your chosen field. Perfect for when you want to take your career to the next level.

2025 Early Entry Program

If you're in Year 12 and feeling uncertain about your ATAR, or simply want to secure your spot at uni ahead of time, you can apply to Swinburne early and ATAR-free.

Arts, Humanities and Social Sciences

Imagine yourself reporting on world events? Writing that screenplay? Improving your community? It all begins here. Discover what inspires you and how you want to impact the world with a next-gen arts degree.

- Entry ATAR
- Where to apply

Emergency health care

Certificate III in Non-Emergency Patient Transport

[HLT31120]

- 10 weeks FT
- Wantirna
- Direct

Gain the skills and knowledge to provide safe, non-emergency transport and care for patients suffering from an illness or disability.

Prerequisites Successful completion of the Certificate III in Non-Emergency Patient Transport.

Diploma of Emergency Health Care

[HLT51020]

- 12 months FT
- Wantirna
- Direct

Become an invaluable member of the healthcare industry and work as an Ambulance Transport Attendant (ATA).

Prerequisites Current Australian driver's license (probationary accepted). However, a full Victorian driver's license is required for employment. Applicants who have completed a Certificate III in Non-Emergency Patient Transport, may get up to 11 units credit.

Health assistance

Certificate III in Health Services Assistance

[HLT33115]

- 6 months FT
- Wantirna
- Direct

Develop the foundational skills required to work directly with patients under the supervision of professional health staff in a highly functioning health system.

Prerequisites Entry into this program is based on an applicant's study and/or relevant work history.

Certificate III in Individual Support - Ageing

[CHC33021]

- 6 months FT
- Wantirna
- Direct

Learn how to provide physical and social support to individuals and within the aged care community.

Prerequisites Entry into this program is based on an applicant's study and/or relevant work history.

Certificate III in Individual Support – Disability

[CHC33021]

- 6 months FT
- Wantirna
- Direct

Gain the skills, knowledge and values to provide individual care to people with disabilities in residential, community, health care and NDIS settings.

Prerequisites Entry into this program is based on an applicant's study and/or relevant work history.

Certificate IV in Allied Health Assistance

[HLT43021]

- 9 months FT
- Wantirna
- VTAC or Direct

Learn how to develop and manage therapeutic programs to deliver holistic care to clients with rehabilitation needs.

Prerequisites Satisfactory completion of Victorian Year 12 or equivalent.

Sports management

Diploma of Sport

[SIS50321]

- 1 year FT
- Online
- Direct

Designed in collaboration with Richmond Football Club, in this course you'll learn the practical skills required to manage competitions, sports venues and facilities.

Prerequisites Satisfactory completion of Victorian Year 12 or equivalent.

Youth work

Certificate IV in Youth Work

[CHC40421]

- 1 year FT
- Hawthorn / Wantirna
- VTAC or Direct

Make a positive difference to the lives of at-risk young people. Gain the skills and knowledge to develop and implement programs that address their social, behavioural, health, welfare, developmental and protection needs.

Prerequisites Satisfactory completion of Victorian Year 12 or equivalent.

Certificate III in Plumbing

From beauty therapy to plumbing. Aimee changed direction and discovered her passion. "Having a trade under your belt opens so many doors," says Aimee.

Since graduating, she's become a TAFE Victoria ambassador and even co-founded Tiny Stays, idyllic off-grid accommodation in the heart of the Yarra Valley.

Trades and Apprenticeships

Title	Duration	Campus	Apply	Prerequisites
Building and construction				
Certificate II in Building and Construction Pre-apprenticeship [22614VIC] – Bricklaying	2 years PT	Croydon	Direct	Currently enrolled in Year 10, 11 or 12.
Certificate II in Building and Construction Pre-apprenticeship [22614VIC] – Carpentry				
Certificate III in Bricklaying and Blocklaying [CPC33020]	3 years PT			Satisfactory completion of Victorian Year 12 or equivalent, or Certificate II in Building and Construction Pre-apprenticeship.
Certificate III in Carpentry [CPC30220]				
Certificate IV in Building and Construction [CPC40120]	6 months PT			
Electrical				
Certificate II in Electrotechnology (Career Start) [UEE22020]	10 weeks FT	Croydon/ Wantirna	Direct	At least 15 years of age and have appropriate numeracy and literacy skills.
Certificate III in Electrotechnology Electrician [UEE30820]	3 years PT	Wantirna		At least 17 years of age and apprenticed to an employer.
Engineering				
Certificate III in Engineering – Fabrication Trade [MEM30319]	3 years PT	Wantirna	Direct	At least 15 years of age and apprenticed to an employer.
Certificate III in Engineering – Mechanical Trade [MEM30219]				
Plumbing				
Certificate II in Plumbing [Pre-apprenticeship] [22569VIC]	10 weeks FT	Croydon	Direct	At least 15 years of age and have appropriate numeracy and literacy skills.
Certificate III in Plumbing [CPC32420]	4 years PT			At least 15 years of age and apprenticed to an employer.
Certificate IV in Plumbing and Services [CPC40920]	2 years PT	Croydon/ Wantirna/ Hawthorn		Tradesperson working in the construction industry

Pathways

Start with a diploma and move into a degree [earning academic credit as you go!] with our official pathway options.

Destination degree	Pathway options	Max credit
Arts, Humanities and Social Sciences PAGE 12		
Bachelor of Arts	Diploma of Arts and Communication (UniLink) Diploma of Community Services Diploma of Justice	8 units
Bachelor of Criminal Justice and Criminology	Diploma of Arts and Communication (UniLink) Diploma of Justice	8 units
Aviation PAGE 14		
Bachelor of Aviation	Diploma of Engineering (UniLink) Diploma of Information Technology (UniLink)	6 units
Bachelor of Aviation Management	Diploma of Business (UniLink) Diploma of Engineering (UniLink) Diploma of Information Technology (UniLink)	8 units
Built Environment and Architecture PAGE 15		
Bachelor of Design (Architecture)	Advanced Diploma of Building Design (Architecture) Diploma of Design (UniLink)	8 units 4 units
Bachelor of Design (Interior Architecture) (Honours)	Advanced Diploma of Interior Design Diploma of Interior Design Diploma of Design (UniLink)	12 units 8 units 8 units
Business PAGE 17		
Bachelor of Accounting	Diploma of Accounting Diploma of Business Diploma of Business (UniLink)	8 units
Bachelor of Business	Diploma of Accounting Diploma of Business (UniLink)	2-8 units 6-8 units
Bachelor of Business	Diploma of Business Diploma of Event Management Diploma of Library and Information Services Diploma of Marketing and Communication	7-8 units 8 units 7-8 units 7-8 units
Bachelor of Business Analytics and Analysis	Diploma of Business Diploma of Business (UniLink) Diploma of Information Technology (UniLink) Diploma of Library and Information Services	8 units
Design PAGE 22		
Bachelor of Design	Advanced Diploma of Graphic Design Diploma of Design (UniLink) Diploma of Graphic Design Diploma of Photography and Digital Imaging	15-16 units 8 units 8 units 8 units
Bachelor of Design (Industrial Design) (Honours)	Diploma of Design (UniLink)	8 units
Education PAGE 26		
Bachelor of Education (Early Childhood and Primary)	Diploma of Early Childhood Education and Care	8 units
Bachelor of Education (Early Childhood Teaching)	Diploma of Early Childhood Education and Care Diploma of Teacher Education Preparation	8 units 4 units
Bachelor of Education (Primary)	Diploma of Teacher Education Preparation	3 units

Destination degree	Pathway options	Max credit
Engineering PAGE 29		
Bachelor of Digital Construction Management	Advanced Diploma of Building Design (Architectural) Associate Degree of Applied Technologies – Building Information Modelling Diploma of Building and Construction (Building)	8 units
Bachelor of Engineering (Honours)	Advanced Diploma of Engineering Technology - Electrical Associate Degree of Applied Technologies – Advanced Manufacturing Diploma of Engineering (UniLink)	10-12 units 8 units 8 units
Bachelor of Engineering (Honours) <i>majoring in civil, mechanical or robotics and mechatronics</i>	Associate Degree of Engineering	16 units
Bachelor of Engineering (Honours) <i>majoring in civil engineering</i>	Advanced Diploma of Engineering Technology (Civil Engineering Design)	11-12 units
Bachelor of Engineering (Honours) <i>majoring in mechanical engineering</i>	Advanced Diploma of Engineering Technology (Mechanical Engineering Design)	10-12 units
Bachelor of Engineering (Honours) <i>majoring in robotics and mechatronics</i>	Advanced Diploma of Engineering Technology (Mechatronics Engineering Design)	12 units
Film and Television PAGE 32		
Bachelor of Film and Television (Honours)	Advanced Diploma of Screen and Media – <i>Film and Television</i>	16 units
Bachelor of Screen Production		12 units
Games and Animation PAGE 34		
Bachelor of Animation	Advanced Diploma of Screen and Media – <i>Animation</i>	12 units
Bachelor of Games and Interactivity	Diploma of Design (UniLink) Diploma of Information Technology (UniLink)	8 units
Health PAGE 36		
Bachelor of Exercise and Sport Science	Diploma of Health Science (UniLink) Diploma of Sport Diploma of Sport / Diploma of Leadership and Management	5 units 4 units 4 units
Bachelor of Health Science <i>majoring in biomedical science, clinical technologies, neuroscience, nutrition or public health and health promotion</i>	Diploma of Health Science (UniLink)	8 units
Information Technology PAGE 40		
Bachelor of Computer Science Bachelor of Information and Communication Technology	Diploma of Information Technology (Advanced Networking, Cyber Security) Diploma of Information Technology Diploma of Information Technology (Game Art and Design, Game Programming) Diploma of Information Technology (UniLink)	8 units
Bachelor of Cyber Security	Diploma of Information Technology (Advanced Networking, Cyber Security) Diploma of Information Technology (UniLink)	8 units
Bachelor of Data Science	Diploma of Information Technology (UniLink)	8 units
Media and Communication PAGE 44		
Bachelor of Media and Communication	Diploma of Arts and Communication (UniLink) Diploma of Professional Writing and Editing Diploma of Screen and Media – Sports Media	8 units
Nursing PAGE 46		
Bachelor of Nursing	Diploma of Nursing	8 units
Psychology PAGE 47		
Bachelor of Psychological Sciences	Diploma of Community Services Diploma of Health Science (UniLink) Diploma of Justice	8 units
Science PAGE 48		
Bachelor of Science <i>all majors</i> Bachelor of Science <i>majoring in applied mathematics</i> Bachelor of Science <i>all majors</i> Bachelor of Science <i>majoring in biotechnology or environmental science</i> Bachelor of Science <i>majoring in physics</i>	Diploma of Laboratory Technology Diploma of Science (UniLink) - <i>applied mathematics stream</i> Diploma of Science (UniLink) - <i>biochemistry or chemistry stream</i> Diploma of Science (UniLink) - <i>biotechnology or environmental science streams</i> Diploma of Science (UniLink) - <i>physics stream</i>	8 units

Don't see your double degree?	Check carefully! The course listed first is usually the one with the higher entry requirement, so check the other course you would like to do.
-------------------------------	--

How to apply

VTAC applications

If you're a Year 12 student or you're applying for multiple courses that are listed in VTAC, you'll need to apply through VTAC.

learn more

Direct applications

You can apply direct to Swinburne if:

- 1. You're not a current Year 12 student.
- 2. You're looking to do an apprenticeship or traineeship

learn more

International students

International students (including Temporary or Provisional Residents and holders of Temporary Protection Visas) applying to study at a Swinburne campus in Australia should contact us directly.

Financial matters

Degrees, associate degrees and UniLink diplomas

If you're an Australian local student when you commence study, the Australian government contributes to the cost of your course. This is called a Commonwealth supported place (CSP). You'll also contribute towards the cost of your tuition. The amount you pay depends on what units you study and the payment method you choose.

learn more

HECS-HELP

You may defer your student contribution by taking out a HECS-HELP loan. HECS-HELP is available to eligible students enrolled in a CSP. This loan can cover all or part of the student contribution amount.

learn more

Other expenses

All degree, diploma and advanced diploma students pay a Student Services and Amenities Fee (SSAF). In 2024, the maximum fee is \$351 for a full-time student (subject to change). This fee contributes to funding student services such as childcare, counselling, legal and health services, and sport and recreation. Bachelor degree students who are unable to pay the fee up-front can defer all or part of the fee through an element of the Higher Education Loan Payment, known as SA-HELP.

Advanced diplomas, diplomas and certificates

Your fees are made up of tuition, plus materials and ancillary fees (such as costs associated with field trips), if relevant. Government subsidised places are available to students who meet requirements such as age, citizenship/residency and prior qualifications.

Look out for VET Student Loans, Skills First, Free TAFE for Priority Courses and a range of other concessions and financial assistance.

learn more

Scholarships

Swinburne gives commencing and current students access to scholarships recognising community service, financial hardship or the need to relocate from regional areas.

learn more

Vice-Chancellor's Excellence Scholarship

If you achieve an ATAR of 95 or higher and receive an offer from us, congratulations! You'll be eligible for this scholarship.

You will receive:

- \$5000 per annum for the normal duration of your chosen degree
- a one-off payment of \$2000 for an international study experience
- a guaranteed place in Swinburne's student accommodation if you live more than 80km from the Hawthorn campus (subject to academic performance and other scholarship conditions).
- the opportunity to join our Student Ambassador Program.

*Please note, you will need to apply for accommodation by the required deadline.

Glossary

Word	Definition	Example
Unit	A subject within a course. Units are assigned credit points, some are worth 12.5 credit points, and some are worth 25.	<i>'I am a full-time student, so I'm studying 4 units this semester.'</i>
Credit points	Used to measure study load, course progress and completion.	<i>'This unit in my business degree is worth 25 credit points. It's an industry-linked project and carries more weight.'</i>
Major	The primary area of study, it usually totals 100 credit points.	<i>I am studying a Bachelor of Business, majoring in Entrepreneurship and Innovation.'</i>
Minor	A secondary area of interest, it usually totals 50 credit points.	<i>'I am studying a Bachelor of Business, majoring in Entrepreneurship and Innovation with a minor in Finance.'</i>
Elective	A unit that can be chosen in an area unrelated to your main area of study. Usually 12.5 credit points per unit.	<i>'I am studying a Bachelor of Business, majoring in Entrepreneurship and Innovation, with a minor in Finance and electives in Organisation Behaviour and Managing Workplace Relations.'</i>
Semester	The academic year is divided into two: semester one, January to June; semester two, July to December.	<i>'I will be going on the Business Innovation in Europe Study Tour in the second semester of 2021.'</i>
Professional placement	An opportunity to apply the theory and skills learned during a course in a professional workplace. Some courses have these built in, other courses allow students to 'opt in'. The work is paid anywhere between minimum wage and below a graduate entry salary. Usually 25 credit points per unit.	The difference between the Bachelor of Health Science (Professional) and the Bachelor of Health Science is that the Professional Degree features a built-in 12 month professional placement, the latter does not.
Work Integrated Learning	Opportunities that include Professional Degrees, placements, internships, industry-linked projects and accreditation placements.	<i>'There are so many Work Integrated Learning opportunities. I'm trying to decide between an internship or a placement.'</i>
Prerequisite	A mandatory minimum requirement for course entry.	A course may require students to have achieved a raw score of at least 25 in Year 12 English
ATAR	Australian Tertiary Admission Rank. This is not a mark, but rather indicates a student's position relative to all the students in their age group.	<i>'I'm hoping I get an ATAR that will let me get into my dream course.'</i>
Pathway	A course that can lead on to another course, often the 'dream course.' Some pathways offer 'credit' for units that are similar / the same.	Diploma of Business (UniLink) offers 8 units credit exemption. Meaning that when students successfully complete the UniLink Diploma, they can move on to the second year of the Bachelor of Business.
Bachelor degree / degree / undergraduate degree / undergrad	A post-secondary-school qualification that is awarded by a university.	<ul style="list-style-type: none"><i>'I'm studying my undergrad in business.'</i><i>'I'm studying a bachelor degree in business.'</i><i>'I'm studying undergraduate degree in business.'</i>
