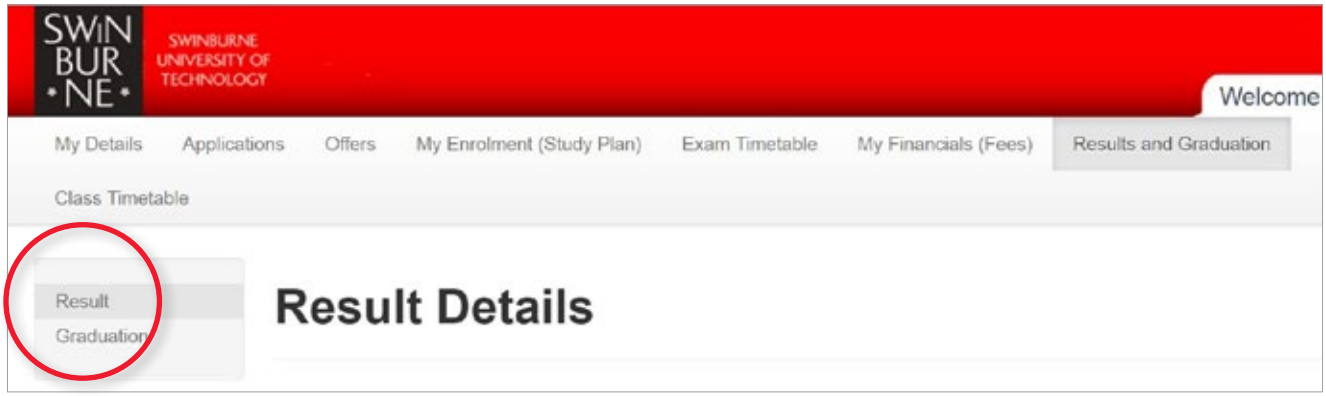
HOW TO VIEW YOUR RESULTS ONLINE

STUDENT HELP GUIDE

01

Log in to view your results

- Log in to My Results with your Student ID and password.
- Click on **Result** in the left-hand navigation.



- If you have more than one course, you will be directed to the **Select a Study Plan** page. Click **View** next to the course that you wish to view results for.

You should now be on the **Results Details** page. If your results have been released, they will display on this screen.

02

Get a copy of your unofficial Academic Transcript (optional)

- Click **Email my Unofficial Transcript** at the bottom of the **Results Details** page.

A copy of your unofficial Academic Transcipt will be automatically sent to your student email address.

NOTE:

This unofficial Academic Transcript does not replace the official Academic Transcript
