

Master of Business Information Systems (2017-2018 structure)

Important Information about Changes to Your Course

The Master of Business Information Systems suite, including the Graduate Certificate and Graduate Diploma, was discontinued from Study Period 1, 2019. No further admissions or progressions are allowed in to the suite.

If you are a current student admitted (enrolled) into the Master of Business Information Systems suite you need to review this Teach-out plan carefully to ensure you complete the required units before the teach-out period ends (taking into consideration pre-requisite subjects and final subject offerings as listed below)

2017-2018 Course Rules

Students commencing 2017-2018

Only follow the details below if you started this course (or transferred into this course) IN 2017 or 2018

For students who were either: **a)** admitted into the Graduate Certificate, Graduate Diploma or Master of Business Information Systems suite in 2017 or 2018 or **b)** transitioned into one of the latter degree levels in 2017

To qualify for the award of Graduate Certificate of Information Systems students must complete 8 units of study (100 credit points) as follows:

- Seven (7) core units
- One (1) elective

To qualify for the award of Graduate Diploma of Business Information Systems students must complete 12 units of study (150 credit points) as follows:

- Nine (9) core units
- One (1) specialisation units
- Two (2) electives

To qualify for the award of Master of Business Information Systems students must complete 16 units of study (200 credit points) as follows:

- Ten(10) core units
- Three (3) specialisation units
- Three (3) electives

Students with a previous tertiary degree in IS or IT from a recognised institution and/or relevant work experience may be eligible for exemptions.

Regardless of any credit awarded within this degree, students must complete a minimum of 50% of the units with Swinburne University as part of this degree Suite.

Master of Business Information Systems (2017-2018 structure)

2017-2018 Course Structure

Students commencing 2017-2018
