

Important Information about Changes to Your Course

The Master of Information Technology Project Management suite, including the Graduate Certificate and Graduate Diploma, changed to the Master of Business Information Systems from Study Period 1, 2017. The Master of Business Information Systems suite, including the Graduate Certificate and Graduate Diploma, was discontinued from Study Period 1, 2019.

If you are a current student admitted (enrolled) into the Master of Information Technology Project Management suite you need to review this Teach-out plan carefully to ensure you complete the required units (taking into consideration pre-requisite subjects and final subject offerings as listed below)

2015-2016 Course Rules
