

# EFFECTIVE EDITING STRATEGIES

FREE one day program

This is an excellent opportunity for you to improve your academic writing skills and it could help you get higher grades. It will also enhance your formal writing skills, which is very useful for the workplace.

## What we aim to do:

Provide students with effective editing skills in the academic context. The program will focus mostly on the use of academic language, but also include strategies to edit content, structure and layout and participants will be able to work on their own papers.

LAS will offer two programs – one for students who have **intermediate to upper-intermediate English language skills**, and another one for students who have **advanced English language skills**.

## Participation Certificate:

Students who complete the full workshop will receive a Swinburne University of Technology Certificate (great for your CV!)

## Program Dates:

**Intermediate to Upper-intermediate level**  
non-native speakers with IELTS writing 6.0-7.0 or equivalent

10am – 3pm, Thursday 18 April 2019  
EW301 (BYO lunch)

**Advanced level**
