

FREE Grammar Review Online Program (16 hours)

This program provides grammar review activities for intermediate to upper-intermediate students from a non-English speaking background.

Four focus areas:

Module 1: Verbs

(approximately 4 hours)

Review of verb tenses, modal verbs, and the active and passive voice

Module 2: Determiners

(approximately 4 hours)

Review of the use of articles, possessive adjectives and main quantifiers

Module 3: Prepositions

(approximately 4 hours)

Review of the use of prepositions of time and place and most common phrasal verbs

Module 4: Sentences

(approximately 4 hours)

Review of the use of main clauses and relative clauses, compound sentences, and complex sentences

Participation Certificate:

Students who complete at least 80% of the program will receive a Swinburne University of Technology Participation Certificate.

This is an excellent opportunity for students to improve their grammar and enhance their general and academic English oral and written skills. It can also help getting higher grades.
