Study Abroad: Nutrition

Spend a semester studying abroad and achieve a Study Abroad Certificate of Specialisation in Nutrition by completing two units from the approved list.

About Swinburne

Swinburne is a world-class, multidisciplinary institution leading the way in science, technology, business, design and innovation.

An internationally recognised research-intensive university, Swinburne’s rankings – top 50 universities in the world under 50 years old by the 2019 QS World University Rankings – prove the success of the University’s focus on and investment in high-quality teaching and research.

Study in Melbourne, Australia

Swinburne is located in Melbourne, Australia, which has consistently ranked as one of the most liveable cities in the world by the Economist Intelligence Unit (EIU). Melbourne’s vibrant lifestyle includes Australia’s best shopping, leisure and sporting events, and a renowned arts scene. Its vast multicultural community, combined with its commitment to quality education, makes Melbourne one of the world’s most dynamic cities.

Swinburne’s main campus is based in Hawthorn, a suburb located only 10 minutes away from Melbourne’s CBD by train. The campus is located in a vibrant shopping hub that offers students a large variety of cafes, restaurants, shops and supermarkets, as well as parks and a movie theatre right across the road from campus.

Study Abroad

Study Abroad is a unique opportunity to travel and experience life in Melbourne. You get to live as the locals do, expand your horizons and make treasured lifelong memories, while continuing your academic progress.

At Swinburne, undergraduate and postgraduate students are allowed to choose subjects from any faculty. You can choose to study for one or two semesters, beginning in either Semester 1 (February – June) or Semester 2 (July to November).

At the end of your program, you will receive a Swinburne academic transcript and will be able to request credit transfer to your home institution.

Academic Semesters

Semester 1
25 February to 23 June, 2019

Semester 2
29 July to 24 November, 2019

English Entry Requirements

Applicants from non-English speaking backgrounds may be required to provide evidence of English language proficiency. This may include one of:

- IELTS: 6.0 overall (no band score below 5.5)
- Internet-based TOEFL: 75 (no band score below 17).
**Certificate of Specialisation in Nutrition**

In order to receive a Study Abroad Certificate of Specialisation, you must complete at least two units of study from the list below. In addition to this list, there is an exciting range of units that you can enrol in alongside your certificate. For a full list of Study Abroad units, please visit: [www.swinburne.edu.au/current-students/study-abroad-exchange/melbourne/how-to-apply/](http://www.swinburne.edu.au/current-students/study-abroad-exchange/melbourne/how-to-apply/)

You also have the option of completing a dual certificate by choosing two other units under another specialisation.

**Undergraduate**

**SEMESTER 1 (Feb-Jun)**

^This is a non-award certificate. The subjects listed above are subject to Faculty approval and prerequisites may be required.

Swinburne’s Study Abroad Certificate of Specialisation in Nutrition gives you the opportunity to explore the fields of nutritional and food science in relation to contemporary issues in health science.

You will gain an understanding of food sources, metabolic functions of carbohydrates, proteins, vitamins and minerals along with the biological, psychological, cultural and social determinants of food choices in order to understand the role of nutrition in health across the life span.
